## **BRIDAL PARTY & FAMILY GROUPS**

We typically take immediate family photos before the ceremony and extended family after the ceremony.

If you are not seeing each other before the ceremony, all photos that include both the Bride & Groom will be done immediately after Bride & Groom Portrait time, and during cocktail hour.

For the Bridal Party Portraits, we typically take the following groups::  
Bride w/ Bridesmaids, Groom w/Groomsmen, Full Party. If you would like other specific breakouts, or individual portraits with each bridal party member, please indicate.
